For a complete list of equipment, or questions, please call Tom at (717) 774-0968 x 103 or tom@milbase.com (please call if no response).

SEEKING MERGER

Rigging products company seeks merger: A nationally-prominent rigging equipment manufacturer seeks to grow through merger with similar company. Strong brand recognition and extensive cargo control, wire rope, chain and synthetic sling production capabilities have fueled our growth. We now seek a merger partner so that we may take advantage of economies of scale and get to the "next level". The business is not for sale; merger inquiries only. Principals only please, no brokers. Respond in confidence to rigmerger@gmail.com.

Mil-Base Industries, Inc., established in 1983, is a manufacturer of wire rope and synthetic rope assemblies and related hardware. Our company has a long and well regarded history of supplying a large variety of product as a prime contractor to the Department of Defense and subcontractor to small and large defense contractors. Due to the declining health of our owners, we are offering our company for sale, including the name and all files. We would prefer to sell the company as a whole, but would entertain selling all manufacturing equipment and inventory as a lot and would possibly look at offers for particular equipment or inventory. Please note for many years our company has manufactured the MK 105, Mod 0 NSN 1450-00-414-7172 double braided nylon Helicopter Hoisting Sling, and it's family of slings for the U.S. Navy. Following is a partial sampling of our equipment: a Escro Mark 150, 500 ton press, two (2) each Promec Model No. 438-B Swaging presses, an Enerpac swaging press (similar to LOOS & Co. Locoloc #4-H Hydraulic Swager), a Torrington No. 4 rotary swager, a Fenn 3F-2 rotary swager and an Ewald

flash cutter. For load testing assemblies, we have a United SSTM-1 Model # SSTM-5K-E testing machine, a vertical proof test machine and a horizontal proof test machine. For more information, please visit our website at www.milbase.com. For a complete list of equipment, or questions, please call Tom at (717) 774-0968 x 103 or tom@milbase.com (please call if no response).

We have some steel wire ropes range from 52mm dia up to 96mm dia in 6-strands Drawn Galv'd RHOL, length between 1500m to 4000m coils. (52mm, 54mm, 56mm, 60mm, 64mm, 67mm, 71mm, 74mm, 76mm, 80mm, 83mm, 84mm, 87mm, 88.9mm, 90mm and 96mm dia). 6x36, 6x41, 6x49 and 6x52IWRC. Some of them were canceled by the client and some were our stock. All are brand new wire ropes. Grade EE-IPS, Alpha, Delta, Omega from Kiswire. Grade EEIPS, super titan, titan max from Usha Martin. We would like to offer all these ropes at one price, US\$800.00 per ton ex work spore. Please call + 65 96693288 or email us at offshore@gay-lin.com.
