and our antidumping and countervailing duty laws, is critical to ensure that the U.S. industry is not further damaged by unfair trade in steel. In our view, a trade policy that couples vigorous enforcement with continued international engagement offers the best opportunity for successfully addressing the global overcapacity crisis in steel.”

ALL Crane Rental of Tennessee Wins “Supplier of the Year”

Associated General Contractors of Tennessee - Knoxville (AGC) Bestows Honor

ALL Crane Rental of Tennessee has received the prestigious Supplier of the Year Award from the Knoxville Branch of the Associated General Contractors (AGC) of Tennessee.

Billy Vaughn, general manager of ALL Crane Rental of Tennessee, a member of the ALL Family of Companies, accepted the award, giving his employees full credit. “Our people know that the name ALL Crane stands for excellence in our business,” said Vaughn. “They know we deliver a whole-team effort, always go the extra mile, and bring not just the equipment, but also our expertise to every job. And they’re

proud of that.” Vaughn also credits the ALL Family of Companies for its commitment to a well-maintained, modern fleet of cranes and lift equipment.

Every year, the AGC of Tennessee - Knoxville Branch presents its subcontractor, supplier and service provider of the year awards. Winners in each category are selected by the branch’s membership through ballot voting. Recipients will have demonstrated a clear commitment to quality, continuous improvement, and customer satisfaction throughout the construction industry.
