

Make the strong choice. Campbell hooks.

Campbell has been the trusted name in hooks for 99 years. Now, our sling, swivel hoist, and eye hoist hooks are even stronger with a new latch and spring assembly designed for exceptional durability. A heavy gauge steel latch with reinforcing rib provides ultimate rigidity and bending resistance and a double-strength spring keeps everything secure. For added durability, dual forged support bosses provide lateral support for precise latch engagement. They're going to be the toughest, strongest, made in the U.S.A. hooks on any jobsite.
